

Coach Clinic Resource Map

Give the shared reference a place coaches can find it again.

START WITH A GENERAL RESOURCE

Keep athlete records, evaluations, injury details, and selection information in approved systems.

The clinic moment

Clinic, preseason meeting, or shared education station

Who needs this general reference?

The destination

Approved general resource page or index URL

What should coaches find there?

Ownership and access

Page owner

Access or sign-in requirement

Last reviewed

Review again before

Put the tap point where the work happens

☐ Clinic folio

☐ Coach-education station

☐ Preseason meeting kit

CHECK BEFORE THE NEXT CLINIC

Open the destination on a phone. Confirm the page is current, accessible to the intended audience, and owned by someone who will review it. The tag points to a page; it does not manage the page.

NFC-A TAG PLANNING TOOL

Independent worksheet. Not an official or endorsed U.S. Ski & Snowboard resource.
