

Family Home & Helper Handoff Map

Pick a recurring handoff. Give the useful reference a clear place and an owner.

Start with one moment that repeats: a helper arriving, a bag leaving, or a manual being searched for.

PLACE OR ITEM	SELECTED INFORMATION	WHO NEEDS IT?	OWNER / REVIEW
Handoff 1			
Handoff 2			
Handoff 3			
Handoff 4			

Share only what belongs on that page

Keep passwords, alarm codes, financial details, and sensitive health or family records in systems designed for them. The family chooses the destination and its sharing settings. An NFC tag does not restrict who can open a public link.
